Singing Carols Is World's Oldest Xmas Tradition

The custom of singing carols had its begining centuries ago in the Latin hymns that were sung during religious service commemorating the birth of Christ. Then, in the 13th century, St. Francis of Assisi arranged the first representation of the manger scene, where he and his brethern gathered to sing carols, and where people came from far and near to pay tribute to the new born babe. Thus was the Christmas carol carried out of cloistered monasteries and into the wide outside world, where it grew and developed in many tongues, and in many forms together with the traditional music and folk songs of all peoples of the Christian world. Pictured here are: Georgia Photopoulos, Joan Petersen and Pat Morrissey. (Museum of Science and Industry Foto).

Lithuanian — a) Blezdingele (The Swallow), an Autumnal dance; b) Sukcius (The Cheat), a cute dance from Southern Lithuanian; c) Jaunimelis (Our Youth), a play party game.

The records will be available within a few months.
